> It had been my intent to give you access today to Rust's  
> under-construction settlement website. Unfortunately, the progress of  
> that site did not make it far enough for it to have made sense to do  
> that. Rust is going to be working long into the night tonight, and I  
> expect things will have improved considerably - hopefully by late  
> tomorrow, certainly by Friday. So, the bad news is that I don't have  
> anything to show you at this moment. The good news is that I think  
> you  
> will be pleased with the structured interview format when you see it.  
>  
> We'll talk to you tomorrow at the appointed hour.
